

Beverly Boston

“Wake Up From Autopilot” Expert!

Become the Best Version of You! Think Bigger, Play Bigger, Make Plenty More Money, and Renew Your Excitement for Life!

Speaker Service

Entertaining and inspiring, Beverly really connects with her audience to deliver the transformational missing piece on how to “become the best version of you”, think bigger, play bigger, make plenty more money and have a renewed excitement for life. Beverly uses her trademark wit to reframe the common challenges audiences have and helps you by teaching you how to know who you really are, stop hiding your power and step into the spotlight. You gain control, enhance your inner power, reclaim freedom in your business and allow your true self to emerge. As you do, you have the courage to pursue your dreams, and make a bigger and better life and business. And as an added bonus improve your client attraction, client retention and Law of Attraction results.

Beverly Boston champions the success of Solopreneurs, Coaches, Consultants, and Spiritual Teachers so they can wake up from autopilot in their lives, and become the best version of themselves. Her clients consistently say, “I wish I had found you years earlier”, because what she offers is so powerful and makes such an impact on their lives. *Beverly is a Master Coach, Mentor, blogger, writer, inspirational speaker, the creator of the “Big Thinking, Big Mind, Big Heart and a Big Life™ as well as “Wake Up From Autopilot-Your Life is Waiting™” programs! These personal transformational programs have impacted the lives of small business owners; stay at home mothers, and even multi-millionaires.*

With an emphasis for Solo-preneurs to wake from autopilot, Beverly's work is helping people feel more highly physically energized, emotionally connected, mentally focused, and spiritually aligned. Beverly was an accomplished multi-award winning top salesperson in real estate, small business owner, and had a 6 year stint as an independent off-site coach with one of the top coaching companies in North America. Beverly helped people find the courage and confidence to build sustainable businesses that multiplied their income 10 times time over. She can also show you how to contribute your areas of strength; substantially increase your quality of life, and long term vision.

Beverly has *rocked the house* from Canada to the USA. Beverly is the "Wake Up From Autopilot" expert. As an Author, Trainer, Speaker and Law of Attraction Master Coach-For Big Thinkers, Beverly has appeared in front of small and large audiences in North America.

Beverly Boston will deliver an entertaining and inspiring live-speaking engagement suitable for just about any event. She is available for both private and public functions, locally in her hometown of Vancouver, British Columbia, throughout Canada, and internationally just about anywhere in the world.
